

N Technology Research Center Pvt. Ltd.

School Projects List

1. Solenoid engine
2. Obstacle robot (IR)
3. Android based robot
4. Solar street light
5. Solar tracking
6. Vehicle over Speed alarm
7. Automatic barrier control
8. IR based home automation
9. Android based home automation
10. Smoke alarm
11. Automatic light intensity control
12. Floor cleaner robot
13. Foot step power generation
14. Smoke detection robot
15. RF based device control
16. Earthquake detection
17. Door knock calling bell
18. Water level detection sensor
19. Automatic domestic pump control for water tank
20. Touch less Electronic harmonium
21. Overload protection
22. Fire detection robot
23. Track failure intimation
24. Under water city
25. Automatic traffic light control
26. Accident detection & intimation
27. Hydraulic lift
28. Hydraulic Arm
29. Simple DC motor
30. Portable air Compressor
31. Wind turbine power generation

Plot No: 22, Acharya Vihar, Bhubaneswar
